Mike and Steve,

Attached are MassDEP's contractor's (Nobis) comments on AVX's Phase III report as well as comments on the City and EPA comments on the subject report. We have not yet received MassDEP's comments.

I understand that you will both be attending the MassDEP and EPA meeting at the Lakeville SERO office this Thursday, December 1 from 10 am to noon to discuss the Phase III report.

See you there.

Elaine

Subject: Nobis's comments

Hi Ginny,

As you await our comments on the Aerovox Phase III, I am sending you Nobis's comments on the Phase III, Nobis's comments on EPA's comments to the Phase III, and Nobis's comment on

the City of New Bedford's comments to the Phase III.

I have reviewed Nobis's comments. At this time, I don't have any reason to disagree with their comments. However, I will be consolidating my review comments with Gerard's and Nobis's, so please know that the attached comments are "Draft" and do not yet fully represent MassDEP's stance on the Phase III.

Thanks,

Angela Gallagher
